'Grabit' Boathook

The original, and still the best boathook for attaching a line to a mooring buoy or ring. Cast in aluminium bronze, which is as tough as steel, one sweep with the grabit leaves the boat secure whilst a permanent mooring is attached.

Boat Badge

The finishing touch for a small dinghy or launch, this badge is sandblasted ready for painting. Traditionally, the hollow centre would frame a miniature picture of the club or owners burgee.
