Available in gunmetal or galvanised iron.

Gunmetal	Galvanised	Jaw width	
3402/GM/050	-	2"	50mm
3402/GM/062	3402/GA/062	2½"	62mm
3402/GM/075	3402/GA/075	3"	75mm
3402/GM/087	3402/GA/087	3½"	87mm

Tack

Clew

Boom Fittings

Tack and clew fittings cast in gunmetal. The clew fitting has a double swivel tang, and the tack has a square hole for use with roller reefing.

Part No	Description	Diameter	
9446/GM/T/050	Tack Boom End Fitting	2"	50mm
9446/GM/C/050	Clew Boom End Fitting	2"	50mm

Bronze Reefing Claw

Cast in aluminium bronze, which is a very tough alloy, this product is particularly suited to its purpose, being very stiff and strong yet without excessive bulk.

Part No	Inside Diameter
9447/AB/100	4" 100 mm
9447/AB/125	5" 125 mm

Parrel Beads

Turned from Ash and treated with Linseed Oil.

Part No.	Length x Diameter	Bore
0924/00/022	⅞" x ⅞"	22 x 22mm 6mm
0924/00/035	1⅜" x 1⅜"	35 x 28mm 8mm
0924/00/044	1¾" x 1⅜"	44 x 35mm 10mm
0924/00/050	2" x 1⅜"	50 x 42mm 12mm
0924/00/070	2¾" x 2⅜"	70 x 55mm 18mm
