

Fastenings

Gripfast Nails

These famous silicon bronze nails have the distinctive annular ring barbs for superior grip. The 14 gauge sizes are packed in boxes of ½ kilo and all other sizes come in 1 kilo boxes. The approximate quantity per box is shown. Other sizes are available to special order in minimum quantities of 10 kilos.

Galvanised Rosehead Boat Nails

These cut boat nails have a flat point and a long taper. They are manufactured from mild steel to BS 1449 and hot dip galvanised to BS 729, making them tough and very long lasting. For best results, pilot holes should be drilled and the flat point should be presented across the grain of the timber to prevent splitting. Packed in boxes of 25 kilos, they can be sold in multiples of 1 kilo. Larger sizes and the square shank pattern are available to special order.

	Length		Gauge		Approx. Quant. per 25Kg
5061/GA/050	2"	50mm	⅜"	5mm	2800
5061/GA/065	2½"	65mm	⅜"	5mm	2450
5061/GA/075	3"	75mm	¼"	6mm	1200
5061/GA/090	3½"	90mm	¼"	6mm	950
5061/GA/100	4"	100mm	¼"	6mm	850
5061/GA/115	4½"	115mm	⅜"	8mm	500
5061/GA/125	5"	125mm	⅜"	8mm	450
