0751/CP	Bronze / chrome plated			
0751/AN	Aluminium / anodised			

NEW

Weatherproof Guarded Light

In two sizes, these traditional lights are of all brass construction with a polished finish. The strong guard screws onto a seal in the base and protects the clear glass.

Part No.	Length		Flange Diameter		Bulb Holder
7203/BR/M/CL	4 1/8"	105mm	3 1/6"	80mm	SBC
7203/BR/CL	7 1/2"	190mm	5"	125mm	BC

Weatherproof Guarded Light (bulkhead fitting)

Similar to the above, these lights are of all brass construction with a 90 degree bracket for fixing to a bulkhead.

Part No.	O.A.Length		Projection		Bulb Holder
7207/BR/M/CL	6 1/2"	165mm	3 1/2"	85mm	SBC
7207/BR/CL	11 3/8"	290mm	4 1/8"	105mm	BC
