

E. S. Sorensen

Davey & Company is proud to be the exclusive UK distributors for the world renowned Sorensen brass oil lamps. From patterns dating back to the 19th century, each traditional lamp is meticulously hand crafted by silversmiths in Denmark from the finest materials and individually numbered. These pages show only part of the extensive Sorensen collection and a separate catalogue is available showing the full range on request.

Passenger Lamp

Non gimbaling lamp often found in 19th century trains and ships cabins.

Burn time: 9 hours

Height: 340mm

ES 50 01 01

Ship's Lamp

Perhaps the most distinctive of the Sorensen range, the ship's lamp has been re-vitalised by the option of the chrome plated finish. Also known as The Hundred Years Lamp.
