

Section 1. Identification.

Product identifier	Feronite Rusty Metal Primer
Other means of identification.	None.
Recommended use and restrictions on use.	Feronite Rusty metal Primer is used to stop rust increasing or spreading in situations where elaborate substrate preparation is impractical. It incorporates a rust inhibitor and also a very low permeability polymer membrane to restrict further air or moisture access to the ferrous metal.

Section 4. First Aid Measures.

Ingestion	If swallowed, rinse mouth with water (only if person is conscious). Give plenty of water to drink. Seek medical attention if symptoms occur.
Eye Contact	Immediately flush eyes with running water for at least 15 minutes, keeping eye lids open. Seek medical attention.
Skin Contact	Take off contaminated clothing. Wash with soap and water. Get medical attention if symptoms occur.
Inhalation	If inhaled, remove to fresh air. Seek medical attention if symptoms occur.
Note to Physician	Treat symptomatically. Contact poison treatment specialist immediately if large quantities have been ingested or inhaled.
Likely Symptoms	
Ingestion	Irritating to mouth, throat and stomach.
Eye	Redness and pain
Skin	Irritating. Repeated or prolonged contact may cause redness, blistering and dermatitis.
Inhalation	No known acute effect after over-exposure to this product.

Section 5. Fire Fighting Measures.

Extinguishing Media	Small Fire – Use dry chemical or CO2 Large Fire – Use water, foam or dry chemical powder.
Specific Hazards	The product will not support combustion unless the water has evaporated. No specific hazards.
Fire Fighters	Contaminated water should be prevented from entering waterways, drains or sewers.

Section 6. Accidental Release Measures.

Small Spills	Absorb spillage with sand, earth, or any suitable absorbent material.
Large Spills	Prevent material from entering waterways, drains or sewers. Consider bunding. Use sand or earth to absorb the material. Allow water content to evaporate and dispose of residual solid material as solid waste.

Section 7. Handling, Storage and Safe Use.

Handling	Use with adequate ventilation. Vapour is heavier than air. Use suitable protective equipment. Avoid contact with eyes, skin and clothing. Eating, drinking and smoking in work areas is prohibited.
Storage	Keep away from incompatibles such as bases. Sensitive to frost. High temperatures can reduce shelf life. Has a nominal shelf life of 1 year.
